

Coin Operation LED Display Height and Weight Scale HS-18

Imported ultrasonic height sensor

High-light LED screen

Thermal printer & Coin acceptor

Stainless steel weighing panel

Feature:

Adopt imported height sensor
Well-known brand high precision load cells
High precision and super optimized moisture proof circuit design
Aluminum alloy body and steel chassis with stainless steel weighing plate
Could meet customized demands , such as blood pressure ,Wifi or Bluetooth ect
One year quality warranty for the scale
Support maintance service online

Functions

Measure height without touching
Measure weight
BMI calculated automatically
Measurement results reported by voice and displaied on HD LCD screen
Screen display date and time
Blood pressure could be added (optional)
High speed thermal printer print results
Coin &paper money accepter are optional
Date transfer through RS232 port
Support wireless data transfer through WIFI or Bluetooth

Specification:

Height Measurement Range/Minimum Division	100-200cm/ ± 0.5 cm
Weight Measurement Range/Minimum Division	8-300kg/ ± 0.1 kg
Self height	237cm
Net weight	50kgs
Gross weight	60kgs
Packing size	187x54x29cm, 74x35x43cm
Working Voltage	AC 100-240V,50/60HZ
Blood pressure/Pulse	0-39.9Kpa/40-180 times per min
