

## Electronic Platform Weighing Scale TCS-C01

### Feature:

Indicator type: only weighing function or weighing and counting function

6digitals LED digital tube (1.0 inch size) , 7LED status indicators

Automatic zero tracking , full range to remove tare weight

Function of Zero , tare ,accumulate , counting , weighing , set the unit of weight, etc

Weighing accuracy , sensitivity , multi-functions and easy to operate

Power supply : External power supply, built-in rechargeable battery: 4V, 4Ah

Auto sleep, low voltage automatic shut-off, built-in battery automatic charge

Power adapter: Input AC100-240V, 50/60Hz,Output DC5V, 500mA

Display can be horizontal rotated 360 degrees, up and down rotated 160 degrees

Pattern cast iron pan, strong non-slip and durable , Pole has a round off automatic spring latch , easy transport

RS232 port: optional

### Specification :

Model	TCS-C01-60	TCS-C01-120	TCS-C01-150	TCS-C01-300
Max Capacity	60kg	120kg	150kg	300kg
Interval (e)	10g/5g	10g/5g	10g/5g	10g/5g
Pan Size	300mm×400mm		400mm×500mm	
Power	Power Adapter ( Input : AC 100-240V, 50/60hz, Output: DC5V, 500mA)
